

Where should my visitors park?

Caregivers, family members, and other guests of patients at the UAB Rehabilitation Pavilion should park in the deck located at 1700 7th Ave. S., Birmingham, AL 35233. Drivers must pull a parking ticket at the gate upon entering.

The authorized caregiver for a patient can receive a 70% discount on parking deck fees. Caregivers are required to identify themselves to the unit secretary when entering the unit where their loved one is located, and they must provide their vehicle's tag number and their parking ticket to receive the discount.

If you have questions about parking, please call 205-934-4131.
